Dear Parents:

We are very excited that your child will be attending King City High School and we look forward to meeting your student at the Link Crew “Welcome to High School” Orientation Kickoff. Our school is participating in the nationwide Link Crew Program, an organization whose sole purpose is to help freshmen feel more comfortable and to help them achieve success in their first year of high school.

The Link Crew Orientation and transition program are designed to both welcome and support freshmen by assigning them a junior or senior Link Crew Leader as a mentor during the first year. This Link Crew Leader is a responsible older student who was hand-selected from a large pool of applicants and has met the qualifications of being a good role model and a positive leader on our campus. Following is some information to let you know what you and your student can expect in advance of Link Crew Orientation.

- 1) The Link Crew Orientation will include an energetic and interactive opening assembly, a mentor group experience led by trained junior and senior Link Crew Leaders, a school tour led by Link Crew Leaders, and a thoughtful, inspiring closing assembly.
- 2) A day or two before Orientation, your student should receive a phone call from his or her Link Crew Leader personally inviting your student to the Link Crew Orientation. If your student does not receive a phone call, they should still attend. Your student will still have an assigned group and leader.
- 3) Your student is encouraged not to bring backpacks, purses, or other like items as the day is quite active.
- 4) Because the day is active, please make sure that your student wears comfortable clothing that does not restrict movement.

This is a “student only” function so we encourage you to let your child attend on his or her own. Link Crew Orientation will take place:

Thursday, August 6, 2015
Main Gym of King City High School
8 AM – 12 PM

If you have any questions, please contact Link Crew Coordinator Chris Houston at (831) 385-1352 or chouston@smcjuhsd.org.

We look forward to meeting your child at the Link Crew Orientation!
