FEBRUARY 2024

## PRINCIPAL'S MESSAGE

King City HS counselors have been busy getting preprogramming with students on their classes for the 2024-2025 school year. This is a reminder to please make sure you discuss with your student what courses they wish to take and any courses you as parents would like them to sign up for next year.

- KCHS will be offering a two new CTE Pathways next year. If your student is interested in pursuing a career in healthcare/medical industry, we will be offering Sports Medicine or Patient Care so please have them reach out to Mr. Petrovic, Mrs. Manriquez, or Mrs. Callarman for more information and to sign up for their classes.

- Let's celebrate our students for their hard work during the first semester. I am proud to announce that we had 461 Mustang students make honor roll. Of those 461 students, 83 of them obtained a GPA of 4.0 or higher. Congratulations to all Mustangs who made the honor roll.

- Spring Sports practices are just beginning. If your student is interested in trying out for a spring team, they must contact the coach to get the practice schedule and the information to participate.

- State testing is right around the corner. PE and ELPAC testing started. Our state testing for Science, Math, and English will begin March 5th and end March 28<sup>th</sup>
