♥ Principal's Message ♥

Dear Mustang Families,

As we move into the season of gratitude, I want to take a moment to thank you for the incredible support you continue to show our students and staff. At King City High School, we believe that education is a partnership — and your involvement makes all the difference.

This month has been filled with exciting milestones, from our football team's historic championship win to the upcoming drama production of *The Drowsy Chaperone Jr.* We're proud of the hard work, creativity, and spirit our students bring to every corner of campus.

As we approach finals and the holiday break, I encourage you to check in with your student, celebrate their progress, and remind them that every effort counts. Our teachers and staff are here

to support them — and we're grateful to have you walking alongside us.

Wishing you and your family a joyful and restful Thanksgiving season.
