Principal's Message

Dear Students, Families, and Staff,

As we step into October, the energy on campus is vibrant and full of momentum. The first month of school laid the foundation, and now we're building on it—together.

October is a time of reflection and renewal. With 1st quarter grades due coming soon, it's a great opportunity for students to check in on their goals, seek support when needed, and celebrate the growth they've already made. Our teachers and staff are here to guide and encourage every step of the way.

This month also brings exciting events:

- 🍂 ELAC, PIQE, DELAC, Cash for college and A-G Parent Presentation Meetings
- 🎃 Fall festivities like Homecoming Game & Homecoming Dance
- 📚 Academic interventions and enrichment opportunities. we had a total of 214 students participate on Wednesday's collaboration first student intervention.

We're especially proud of the way our students are showing up—not just academically, but with kindness, resilience, and leadership. Let's continue to foster a culture of respect, responsibility, and community.

As the seasons change, let's remember that every day is a chance to grow, connect, and make a difference.

Thank you for being part of our school family.

Warm regards,
Michael Gray
Principal King City High School
